DeMi Deformable Mirror

1 Introduction

1.1 Mission Statement

1.2 Motivation

2 Mission Overview

2.1 Requirements

2.2 Concept of Operations

2.3 N^2 Diagram

2.4 System Level Budgets

3 Subsystems

3.1 Payload

3.1.1 Requirements

3.1.2 Trade Studies and Decisions Made

3.1.3 Analysis

3.1.4 Summary of Outputs

3.1.5 Risks

3.1.6 Future Work

3.2 Power

3.3 Communication

3.4 Avionics

3.5 Attitude Determination and Control System

3.6 Thermal

3.7 Structure

4 Conclusion

4.1 Risk Analysis

4.2 Future Work

5 Acknowledgment
